

Travertine-Padova-Honed-and-Filled

Travertine Padova Tiles have recently joined our premium travertine tiles range. Padova travertine tiles are beige in color with warm color shade movements on the surface. It is suitable for both floor and wall tiling. We are offering this premium product from a very cheap price as a market introductory deal. Due to its warm shades of beige and light brown, it is also known as Cappuccino Travertine Tiles, or Cappuccino Travertines. Travertine padova can also be used in some outdoor cladding and patio tiling projects where only foot traffic is involved and the tiling base is level concrete. The other option in the marbles section would be Cappuccino Marble Polished.
